The assessment rate for residential property is 7.15%, § 39-1-104.2(3), C.R.S. A change in the projected residential assessment percentage is not grounds for protest or abatement of taxes, § 39-5-121(1), C.R.S. Generally, all other property, including vacant land, is assessed at 29%, § 39-1-104(1), C.R.S.

The tax notice you receive next January will be based on the current year actual value. If the Senior Citizen or Disabled Veteran Property Tax Exemption has been applied to your residential property, it is not reflected in the current year actual value shown above.

You have the right to protest the classification and/or valuation of your property.

Please refer to the reverse side of this notice for additional information.

VALUATION INFORMATION

Your property was valued as it existed on January 1 of the current year. The value of residential property is based on the market approach to value. Generally, the value of all other property is based on consideration of the market, cost, and income approaches to value. The appraisal data used to establish value is from the 18-month period ending June 30, 2021, § 39-1-104(10.2)(a), C.R.S. If insufficient data existed during the 18-month data gathering period, data from each preceding six-month period (up to a period of five years preceding June 30, 2021) may be utilized, § 39-1-104(10.2)(d), C.R.S.

"Improvements" are defined as all structures, buildings, fixtures, fences, and water rights erected upon or affixed to land, whether or not title to such land has been acquired.

Most property in Colorado is revalued every odd-numbered year, § 39-1-104(10.2)(a), C.R.S.
